With sugar levels dropping after the leftover Easter candy, and the snow still flurrying, we put on a display at the Kawartha Fishing Show in Lindsay. Eight members answered the call (actually there were more; I had to turn some away) and set up a display of 20 outboards spanning 55 years and 69 hp among the camouflage, crankbaits and marabou flies. This was a new show for the club and it was well attended and popular with the crowd. Thanks to Gene Munsen, Owen Aho, Rob Abbott, Mike Oujian, Murray Parnell, John Wozney, Ken Bestard and Sean Goodman.
