

MLAOC at Picton's Canada Day Celebration

Report : Dana Torch

Dave Teasdale and Dana Torch put on a great display in front of the Picton Naval Archives during the Picton Canada Day celebration. The display was well attended with a number of local outboard racers coming by to talk. 17 outboards between 1914 and 1961 were on display as well as the museum adding a mostly complete Dispro engine. A great display that we hope to continue in the future.

Dana Torch with his two Konig race motors.

Dave Teasdale with early Evinrude DRBM.

Elto Ruddertwin, Flambeau Twin & Muncie Mighty Mite.

L-R: Bendix Air Cooled Twin, Two Konig Race Motors & 1928 Lockwood Chief.
