

# MLAOC at Beaver Lake, July 8

**Report: Dana Torch & Ken Kirk**

**Photos: Dana Torch**

This year MLAOC was invited by the Ottawa Valley - Powerboat Club, ( OVPC ), to have a display at their races on Beaver Lake at Erinsville, ON.

This was a great location, just off highway 41, in the Lions Park near the Lakeview Tavern. The Lakeview were an event sponsor. Good food and beverage close at hand.

This was the first year for our participation in this event. Dana Torch was the driving force and our display was comprised primarily of motors and a race boat from Danas' collection. Brent McLelland of the OVPC added his Merc Mark 20H to our display.

**A vintage MERC 20H "popper", on a picklefork, ready to launch & make noise.**

There was a high level of interest from both spectators and OVPC racers. Big thank you to the Township of Stone Mills for hosting these races and thanks to OVPC for inviting us to display.

We look forward to a continued relationship with the OVPC and participation in more of their events in Eastern Ontario.
