

Simcoe Day 2019, Fenelon Falls

Report: Gene Munson Photos: Glenn Weigel & Gene Munson

Hot weather set the stage for the MLAOC's large attractive display of vintage outboards at Simcoe Day 2019, Fenelon Falls.

The diversity and quality of our display (thanks to Owen Aho's contribution) was well received by the public and greatly appreciated by the Event organizers.

The Event was well attended by the public and included War of 1812 re-enactments, various displays put on by the Fleming College Varsity Lumberjack team, and other interactive activities throughout the Town.

Special thanks to club members Chuck Nesbitt, Bill Ross, Glenn Weigel for volunteering their time and energy, making our MLAOC display a great success.

L-R Chuck Nesbitt, Glenn Weigel, Gene Munson, and Bill Ross.
